

Corporate Social Responsibility Policy Statement

Policy Statement

Carbon247 Limited's primary role is the installation energy efficient measures for domestic, commercial and social housing properties throughout the United Kingdom. This policy statement applies to all areas of operation whether site or office based. We will work closely with our clients and suppliers with a focus of the adoption of compatible policies relating to the reduction of carbon monoxide (CO), logistics, waste, and environmental impact due to our operations.

Carbon247 Limited recognises its obligations both morally and from a business perspective, to carry out our activities in a socially responsible and environmentally sustainable manner. Building on our long history of environmental awareness our aim is to continue to contribute to a sustainable future through:

Our staff – who will be continuously trained and developed in their roles to provide fulfilling employment whilst maintaining a culture, which encourages safe working practices and an enjoyable life-work balance.

Our clients and partners – to whom we will communicate continuously in order that we can deliver our services in a manner that exceed expectations.

Our supply chain – who we will work closely with in order to develop long term partnerships based on ethical procurement methods, where mutually beneficial relationships is our objective.

Environmental awareness – we will promote innovative solutions that minimise all forms of resource consumption, promote recycling and wherever possible the use of recycled materials with a consistent goal of reducing the carbon footprint of our operations.

Our product and services – we will develop assets using sustainable, safe methods of work and continue to operate them for whilst striving to continuously improve our service for the benefit of all stakeholders.

This policy is regularly reviewed to ensure it remains relevant to our business it is supported by our integrated management system and by specific policies:

- Quality, Environmental, Health and Safety
- Employee Training
- Employment Policies
- Transport Logistics and Planning
- Customer Relationship Management

A handwritten signature in black ink, appearing to be the initials 'MB' followed by a stylized flourish.
